<b>Project</b>	Grand Royal Swiss Hotel
<b>GPS / location</b>	KISUMU
<b>Roofing Material</b>	Colorplus Textured
<b>Developer</b>	MABATI ROLLING MILLS LTD
<b>Profile</b>	Colorplus Textured Finish roll formed into Orientile Profile

### Special Features:

When the developers of the new Grand Royal Swiss Hotel were looking for a roofing solution for their Conference Centre that would complement and uphold the high-end look and feel desired for this excellent addition into the Western Region tourism circuit, they turned to MRM for a solution. The outcome is a classy look of Charcoal finish that blends seamlessly with the leafy environment, complementing the quality workmanship that is evident in the entire project.
